

# See what Manual Therapy can do to help you!

This entitles the recipient to a one-on-one FREE consultation with a licensed expert physical therapist at AIM Physical Therapy.

Posture and movement analysis, pain control suggestions, joint pain prevention techniques, health discussion, and more with the consultation.

No obligation, no fee or insurance charge, one consultation per patient. Consultations are by appointment only, so please call to schedule yours today as spaces are limited. See how physical therapy can help you!
